I confirm that I am familiar with the nature of the motorsport activity which I wish to undertake and acknowledge those risks which are inherent therein. I declare that I am in good health and my eyesight is up to the standard required for a road riding test and that I am not suffering from any other medical condition or disability which is likely to adversely affect my normal control of a vehicle or which might make it unsafe for me to drive or participate in any other motorsport activity. I accept that I shall be solely responsible for any decision as to my fitness to participate in any activity and as to whether to drive or discontinue to drive any vehicle at any time whilst it is in my possession or under my control. The vehicle I intend to use is safe, complies with any relevant regulations (including without limitation relevant track regulations) and is fit to use for the purpose(s) for which I have attended the Venue. Any on-bike camera or other equipment is safely and securely attached, using bolt-on mounting systems specifically designed for that purpose (not suction or other temporary mountings). I understand that Donington Park insurance does not cover damage to my vehicle (whether controlled by me or any other person) at this event, and that Donington Park recommend that participants procure their own track insurance. Therefore the use of my vehicle is at my risk and I take responsibility for any damage caused to my vehicle (whether controlled by me or any other person). I understand that Donington Park reserve the right to remove me from the circuit if they consider my actions to be dangerous or detrimental to other circuit users.
